

OSU Health Plan's Buckeye Baby Program

The Buckeye Baby program, offered by the OSU Health Plan as a service of Your Plan for Health, offers a variety of resources to help you and your family on your new journey.

Individuals must be enrolled in an Ohio State medical plan to participate.

Prenatal Webinars

- Live webinar-based discussions that review different pregnancy-related topics. During each session, you will be able to ask questions and share ideas with other parents-to-be, as well as with a nurse and dietitian/health coach. To schedule, visit linktohealth.osu.edu (Buckeye Baby program).
- Individual telephonic sessions are available as needed. Email OSUHPBuckeyeBaby@osumc.edu for an appointment.

Lactation Support

- Up to six lactation consultations are covered at 100%
- OSU Buckeyes for Breastfeeding support group
- Complimentary double electric breast pump

Postpartum Home Visit

- Buckeye Baby moms living in Franklin and contiguous counties will receive a free home visit by a registered nurse shortly after your discharge to make sure your transition to home is going smoothly. The nurse will conduct a clinical check of you and your baby, follow-up on any issues your doctor identified at the time of discharge, and talk with you about adjusting to life changes.

YP4H Points

- YP4H points are available for participating in the Buckeye Baby program. To learn more, visit yp4h.osu.edu.

Important Reminder

If you plan to cover your baby on the OSU Health Plan, remember that you must complete enrollment **within 30 days of birth**. Call the Ohio State Office of Human Resources at **(614) 292-1050** to learn more.

Dealing with postpartum depression?
