

# Daryeelka Ka Hortagga ah - Ilmaha

Ma ogtahay inta jeer ee ay tahay inaad iska baarto ama aad u tagto dhakhtarkaaga?  
Ma taqaanaa baadhitaano iyo adeegyada loo arko inay looga hortagayo cudurka?

## Waa maxay adeegyada daryeelka ka hortagga ah?

Waa muhiim inaad si joogto ah u booqato bixiyaha daryeelkaaga aasaasiga ah (PCP) ama dhakhtarka carruurta si aad u hesho daryeel ka hortag ah. Daryeelka ka-hortagga ahi wuxuu u ogolaanayaa takhtarkaaga (PCP) inuu helo dhibaatooyin caafimaad ee suurtagal ah ka hor inta aadan xanuunsan. Markaad hore u heshid dhibaatooyin caafimaad, takhtarkaaga (PCP) wuxuu kaa caawin karaa inaad hesho daryeelka aad u baahan tahay si aad caafimaad u hesho.

## Goorma ayay adeegyadu bilaash yihiin?

Adeeg la mid ah waxa uu noqon karaa ka hortag (lacag la'an) ama ogaanshaha (wada bixinta, caymis ama wax laga jari karo ayaa lagu codsado).

Daryeelka ka-hortagga ah waa lacag la'aan (kharash la'aan kuwo xubinta) haddii:

- Ku taxan hagahan laga helay [osuhealthplan.com/forms-and-downloads](https://osuhealthplan.com/forms-and-downloads)
- Waxaa buuxinaya bixiyaha shabakada ama farmashiyaha aad doorbidayso. Tag [osuhealthplan.com](https://osuhealthplan.com) oo isticmaal qalabkayaga Raadi Bixiyaha si aad u hesho dhakhaatiirta shabakada
- Loo sameeyay ka hortag Ujeedooyinka

DARYEELKA	SABABTA ADEEGA	MAXAAD BIXIN DOONTAA
Daryeelka ka hortagga	Si looga hortago dhibaatooyinka. Wax calaamado ah ma lihid.	Wax ma bixinaysid wax kasta. <i>lacag la'an</i>
Daryeelka Baritaanka	Waxaad leedahay calaamad, ama waxaa lagugu baaray arrin caafimaad oo la yaqaan.	Tani waa sheegasho caafimaad. Waxa laga yaabaa in lagaa jarayo, lacagaha aad bixineyso iyo caymiska aad codsanayso. Xusuusnow in booqashadaada xafiiska PCP ay lacag la'aan tahay haddii bixiyahaagu uu qeyb ka yahay shabakada koowaad. Haddii lagu sameynayo baaritaanka dhiigga ama raajada, kuwani waxay kaaga baahan doonaan inaad bixiso dhammaan ama qayb ka mid ah kharashka.
